REINVENTED

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

I waited until my last birthday to have my first three-way. I invited a photographer and two of my best men friends for the occasion. Now you get to see my little birthday party and all the presents the guys left on my face. Check out the video too, and then you can sing happy birthday to me.

DP QUEEN

You have to have patience when two guys are fucking you. It takes time and effort to move three people around a bed or sofa. But when it's done right, it's the best feeling in the world. Having your ass and pussy and mouth filled with cock.

I was quite happy with the two guys and they stayed long after the photographer left. I think I should have asked him to stay, too.

I know a lot of girls are screamers when it comes to sex, but I'm more the quiet type. That doesn't mean I don't know how to show my enjoyment. I just don't scream it out loud. I think part of that is because in college the walls in the dorm were pretty thin and my boyfriend kept hushing me so the neighbors wouldn't hear.

YEAH, BABY! PLEASE ME

In my senior year at college I got me a new girlfriend. The previous years were all spent with Jill who was a year younger than me. Over the summer she told me that when we returned to school, she wanted to return alone. I took it hard at first, but I managed to let it go and move on. One month after my fourth year started, I met Estelle and Jill was history. Estelle was just my type, a full-figured brunette with a full chest and nicely shaped booty. She carried a 3.8 grade average and wore dark rimmed glasses to classes that made her look quite studious. But when she put her books down, she was a monster in the sack.

Estelle was a townie. She lived in the city that we went to college so she didn't live in a dorm like I did. One night we were at her best friend, Marie's house. It was over the Thanksgiving Day weekend so we we're all pretty happy that there were no classes for a few days. Now it's Friday night and we're all still reeling from overeating and overdrinking the day before. Marie checked out early and went to bed about nine. Estelle and I were kicking back and watching a movie on the television.

The movie was boring and we knew it. I decide that I wanted to fuck so I began playing with Estelle's boobs. She giggled and after a few minutes slipped out of her bra, leaving her t-shirt on. I begin to pinch and twist her nipples as she makes little moaning sounds. My pants are getting tighter so I pull my dick out as it gets harder. Estelle sees it and immediately takes it and begins stroking it. Estelle gets off the sofa and drops to her knees in front of me. She grabs my pants and pulls them off, then pushes my knees apart so she could get closer to my crotch. Immediately she starts to lick from my balls all the way to the tip of it and starts to suck on it.

She stands up and takes off her pants and climbs on top of me so she can line up her pussy over my cock. She squats down and eases her pussy down on my hard-on and starts to ride me right there. She moans a little but tries to be quiet because her bff is just around the corner in her bedroom. I begin to fuck her harder and make her moan even louder. Deep down inside I was kinda hoping that Marie would peek her head around the corner and check us out, maybe even join us for some late night fun.

Within a few minutes and a few more long, deep thrusts into her pussy, Estelle cums, and man does she cum. Her juices flow out of her pussy and down my cock and drench my balls and the sofa. Estelle falls forward onto me and then tries to get off but I grab her butt cheeks and hold her down on me. I pin her on top of me and keep fucking her so hard that you can hear my cock and balls pounding her pussy. She cums again and screams louder this time.

Again she tries to climb off but I hold her there and continue to fuck her pussy hard. She responds by pumping her hips up and down on my cock as I pinch and massage her ass cheeks, every now and then slipping a half-inch to an inch of finger into her puckered star. Soon she's pounding down onto me and screaming that she's going to cum again. I pull her head into my neck to muffle her screams.

Estelle's sweaty body goes limp on top of me. Still holding her with my cock still inside, I get up and flip her onto her back on the sofa and continue

Marie and I make eye contact and at that moment I shoot long ropes of jizz all over Estelle's face, hair, and even some into her mouth. I maintain eye contact with Marie until I finish...

fucking her pussy. After a short minute, she cums again screaming more and more. She puts her head in my neck and breathing fast and hard. She takes more and more pounding as I fuck her harder. Her whole body starts shaking, it seems to be the only thing she can do. She cums again from the pounding on her already soaked pussy.

Her body begins to shake as I thrust harder. Every time I thrust she let's out a high sounding wail. I smack her ass harder and harder so the sounds of these smacks must have waken Marie. I pull myself out of Estelle and hover over her face stroking my cock. She grabs the base and squeezes it with one hand and plays with my sweaty balls with the other.

There is a small sound coming from the other side of the room and I look over to see Marie watching me stroke my cock over her best friend. Marie and I make eye contact and at that moment I shoot long ropes of jizz all over Estelle's face, hair, and even some into her mouth. I maintain eye contact with Marie until I finish unloading on her friend. When I finish I see her looking down at my cock and back up to my eyes. Then she backs away and disappears into the dark hallway.

That's when Estelle realizes that Marie saw the finish. She squeezed my balls hard so I looked down at her and she had the biggest grin on her face. I smiled back and collapsed down on top of her. We tried to clean up the wet spots to no avail so we got dressed and left.

CANCUNING

Last summer the three of us decided we needed a warm sunny vacation. So there I was with my two girlfriends, Kristin and Andrea, laying on the beach at Cancun. We all work together at a large insurance company in the Chicago suburbs, so we were ready for the sun. Kristin had on a little red bikini on her pale white body. She was laying on her back with big sunglasses on and slathered in sun screen. I've known Andrea longer and we're pretty good friends. She's in a sexy black bikini that barely covers her DD chest. She's undone the straps of her top and it's just laying on top her, barely covering her nipples. I'm the oldest of the group at 33 but I've kept myself trim and pleasantly fill out my deep pink two pieces.

Every guy who walked by us was giving us good looks. By now Kristin had rolled over and undone her top while Andrea's top had slipped a little and her left nipple was almost all exposed. I just sat there in my blue-striped beach chair taking it all in with a smile and a smirk. Andrea and I were just checking out the guys, especially the ones who would slow down to check out Kristin. Andrea said we should make eye contact with one we thought was hot and ask him to join us. I kept looking for a good candidate while Andrea went to get us some drinks. I had closed my eyes for a second and heard Andrea's voice. I look up and there stood Andrea with three guys who were all wearing flowery board shorts and had surfer bodies.

Andrea introduced the guys but it sounded like mumbles to me as I checked them out. By now Kristin had heard us and sat up, not bothering to grab her top and cover herself. Immediately, there were five sets of eyes on her perfect twenty-five year old breasts and a long pause of silence. Finally, one of the guys speaks up and tells us they're staying at his father's house a short ways from the beach. Apparently his dad is a big-

time lawyer down here and quite well-to-do. He said his name was Carlos in a very slight accent and told us to come by about six because they were barbecuing tonight. Andrea hands us our drinks and after another moment of looking at Kristin's boobs, they take off up the beach, looking back every few feet.

We left the sands about two in the afternoon because it was getting to be quite hot and went back to our hotel room to rest and get ready for tonight. We left the room about quarter-to-six but the walk to the house was a little further than we anticipated, especially in sandals. Nonetheless, we arrive about ten after and we can smell the meat sizzling on the grill. Carlos meets us at the door and we enter a beautiful Spanish-style mansion. He escorts us through the house and to the back patio. There was a small swimming pool in the back yard and that was where we all wound up after eating. We girls stripped down to our bikinis while the guys were still in their shorts.

It was still pretty warm outside so it was refreshing. We all ended up in the shallow end sitting on the spool steps and talking away. One of the guys was focused on Kristin, The tall guy paired off with Andrea, and I had Carlos. He was quite nice, well-built and just my type. Kristin said she needed another drink and headed into the kitchen with her guy on her heels. Meanwhile, back at the pool, Carlos started kissing me sliding his hand into my bottoms. I didn't resist and let him rub my pussy. With his other hand he was massaging my boobs and pinching my already erect nipples.

But we weren't the only one's getting aroused. A few feet away the tall guy was standing with his cock in Andrea's mouth. She was deep throating his cock as her big boobs were in his hands. A few strokes of Carlos' cock and I looked back at Andrea to see she leaned over the side of the pool getting fucked from behind. I told Carlos to stand, drop his shorts, and I took his hard cock in my mouth. He was pushing his long, thick dick down my throat. Then I let him go and did like Andrea, leaning over the pool's edge, my ass and pussy teasing Carlos and inviting him in. He obliged by spreading my pussy lips and driving his cock deep and hard into me. He fucked me hard, spanking my ass and fingering my asshole. He bent over and whispered in my ear asking if he could fuck my ass. I told him I'd like that if he was gentle.

He took his dick out of my pussy and using it's juices, lubed my asshole and slowly entered it. I muffled a scream as he pushed it in deeper. I started to cum and Carlos fucked me harder and faster, exploding inside me. I composed myself and noticed we were alone in the pool. Andrea and the tall guy had gone into the house and I hadn't noticed.

Inside, Andrea and her guy were sitting in the living room drinking. I asked if anyone knew where Kristin was. Andrea ventured a guess that they were in a bedroom. When I got near the bedroom door, I heard them having sex. I peeked in the door and Kristin was straddled over him riding up and down his cock. She rode him hard and fast for a while then slowed to long strokes on his dick. It was quite a sight and I just had to watch. She started to cum and I could see by his face he was cumming too. Kristin fell on top of him spent, so I left.

Back in the living room, Andrea was being double-fucked in her pussy and ass by the tall guy, and Carlos! I sat on a chair nearby rubbing my pussy. The two guys and Andrea all came simultaneously, and a moment later, I came in the chair and squirted all over them. I don't think they even noticed as they all collapsed on the floor right in front of me where they fucked. The rest of the night we sat around, talked and drank margueritas. Kristin and her guy finally showed up, looking quite disheveled. Around two in the morning we all went upstairs and paired off to "sleep." I had the tall guy, Andrea had Kristin's man and Carlos disappeared with Kristin. Oh, yeah!!!

WE LOVE A REALLY BIG COCK!

We're really gonna get hot and horny right now. Whitney found this really big cock at a bar the other night and invited it over for us to share. She brought it over so we can chew it up and make supper out of it. Then we'll have it spurt for dessert and lick each other's fingers clean.

BITCH

BITCH

BITCH

Wow! That was sooo hot. We sucked his dick for so long, at least a couple hours, that he had to take a break from our mouths. We didn't let that last long at all because our pussies were so hot and wet. We worked that cock for so long and hard that he gushed out so much splooge (that's Whitney's word) that it filled a shot glass. Then we drank it all up. Yummy!

WANNA BE STARTING SOMETHING

TWO IS FUN BUT THREE IS INSANE

The weekend is the only time I have to take care of things around the house. I worked hard in the summer heat and was exhausted when I finally finished and came inside. I'd already been in bed for a couple of hours when the sheets shuffled and the mattress moved a bit. I woke enough to scoot over and make some room when I felt her hair fall on my bare shoulder and her breath come close to my ear. She nuzzled into my neck as she moved into the bed behind me. Her soft, warm hand started on my shoulder and caressed a winding path along my arm, around my chest and across my stomach. There was no doubt she wanted to start something, and even less doubt that I would gladly oblige.

I turned to kiss her and she opened her mouth for me as if we hadn't kissed in years. Her tongue was hot and ferocious as she sucked a huge kiss right out of me. Katie stayed up with her longtime friend, drinking mojitos

YES, I'M HOT.
I'm also sassy,

I'm your

and making girl talk in our living room. I'd gone off to bed early – tired from working out in the yard and not terribly interested in their chatter. After I first settled in I could still hear them jabbering away about everything and nothing, but they hadn't seen each other in a few months, so it was no surprise. I smiled as I drifted into a light sleep – glad that she's got such a friend.

Her name was Noreen, and they'd been friends since elementary school. She was there for Noreen when she went through her divorce, and Noreen was there for her while I was called to serve overseas. They were as close as friends get – unconditional in their support for one another, but remarkably candid always. It was a friendship to envy.

The raging erection that was stuck in my twisted boxers needed to be released, and I tried to use my free hand to pull the waistband aside. Katie was having none of it, as she slid her leg over my stomach, moving her chest so that the dry boob could get some mouth action. I cupped both and began to kiss and suck noisily. The moisture on her made pinching and rubbing her all the more erotic – obviously she was enjoying herself as I could feel her sexual heat hovering just over my stomach. My cock flexed uncontrollably, I was aching to penetrate her and fuck her in a primal way. I didn't quite realize how she was managing it at the time, but I could feel her fingers grasping my shorts and pulling them away.

As I felt my cock being engulfed by fingers, it was clear there was no way these could be her hands; and there was only one other female in the house! There was no light in the room at all, so I could not see exactly what was going on, but I could sense that Katie's hands were on the bed up near my face and that Noreen had both of her hands on my cock. The sensation of Noreen's hands rubbing up and down my cock while a slippery pair of breasts were being fed to me was out of this world. I must have made an involuntary noise of some sort because the ladies both giggled. I reached up and rubbed Katie's ass, my mind spinning at the thought of this actually happening. When Noreen slowed her strokes and rubbed little circles around the head of my dick with her thumbs I arched my hips up a bit, pressing my stomach right into the wet pussy lips straddled over me. Katie was breathing heavy, her slit was dripping wet and I was being held in place.

Soon Noreen's boobs were sliding up my thighs as she positioned her mouth over the tip of my twitching cock. I felt her hot breath on me before her lips landed around the head, making me growl into the breast flesh I was still sucking. How in the hell was I going to fuck the both of them? The tongue across the bottom of my shaft was dripping wet – and Noreen was making the same kind of slurping noises I was making as her mouth engulfed me. She tilted her head forward and bobbed up and down – running the head of my dick across the roof of her mouth as she moved. I felt Noreen shuffle her hand, rolling it up across my belly, her knuckles down. Noreen was rubbing her fingers into Katie's moist slit - her best friend - right on top of me! The grinding that began made it almost impossible to keep a grasp on the wet tits I had in my mouth, so I leaned back and cupped them in my hands. Katie leaned back as well, reaching behind her to grip Noreen's wrist as Noreen pushed her fingers across those slick pussy lips. Katie's eyes were rolled back in her head and her thighs began to tremble in rhythm to Noreen's massage.

Katie moaned as the first wave of an orgasm began to climb. She gripped my ribs with her knees and pushed her hips back onto Noreen's hand while I pinched and twisted her nipples harder and harder. Noreen's mouth was off my cock while she watched the pussy she manipulated begin to convulse. I couldn't see what she was doing, but it felt like she was finger-fucking Katie's pussy - fast and hard. I could feel Noreen's hand bounce off of my body with each thrust and Katie laid on top of me, pressing her chest onto mine, lifting her pussy into the air while squeezing her feet, thighs, knees and arms around me as she came hard. Noreen slowed her hand and let it slide away and back onto my cock. Now her hand was wet with Katie's cum and it only took a half dozen strokes, for me to be ready to pop.

Noreen moved her mouth and hand in one slimy, sexy motion over my pulsing rod. My moaning made Noreen to slide her mouth as far onto my dick as she could, cupping my balls as they tightened up. A couple more deep grunts and I launched several wads of jizz into her throat. I closed my eyes so hard as I came that I saw stars. Some of my cum slid back down out of her mouth and onto her hand and lips, as well as my cock and belly. Noreen gathered some into her fingers and kept stroking me while she licked and sucked up the loose puddles of sperm. She put her mouth around me again as I began to soften and sucked lightly again, coaxing all of it from me.

I was still breathing deeply and trying to shake the stars out of my vision when Katie slid off of me and said, "Our guest is doing all the work – we're not being very good hosts." She leaned over to Noreen, and the two of them started kissing. Long, slow, deep kissing. Their hands were laying across each other's hips and shoulders as their mouths seem to melt together. I got the feeling this wasn't the first time they'd ever kissed one another. I raised myself up on one elbow and scooted aside as they laid down and continued their exquisite mouth dance. What a wonderful front-row seat I had, inches away as two gorgeous women lost themselves in intimate passion.

Katie was on the other side of, but kind of on top as Noreen lay on her back, and I got my first real look at Noreen's naked body. Her chest was wonderfully plump and round – spectacular natural breasts topped with very small, fairly dark nipples, the contrast to Katie's larger, paler nipples and medium sized tits was very erotic. Seeing them one on top of the other was fantastic. I could not be just a spectator any longer and I moved my hand across Katie's back, along her side and onto Noreen's boob – letting my palm drift over her skin lightly. My fingers pressed along the outlines of her roundness and ended up with fingertips rubbing Noreen's nipple slowly.

I rolled towards the two of them – they were still lost in a fog of intense kissing - and slid my hand down along Noreen's side, her hip, the top of her thigh. She raised her knee up and towards me, parting her legs and exposing her snatch to my hand. I let my fingers continue to wander over her thigh, her belly, lightly brushing her completely bald kitty. I rubbed my palm along her inner thigh, down to her ass and grabbed her cheek firmly. As I released her ass, I kept my thumb in contact with her skin, sliding it onto her pussy lips as my fingers brushed her thigh. My thumb began to circle, moving her plump outer lips with it. I parted her and let just the tip slide along the open slit from top to bottom, then back up again. Her moisture was so warm and thick I began to imagine what it would feel like on my tongue. We continued licking and fucking each other for what seemed to be an eternity. Exhausted, I finally fell asleep and left the two ladies to their own volitions. I needed to sleep.

YOUNG AND FRESH AND LOVES TO FUCK AND SUCK!

I'm going to show you some good stuff. My stuff, and his stuff. The stills guy got good shots of both of us with his hard cock inside of me. My expressions tell the story as well. But the best stuff was captured on video because you can hear my moans and screams as this cock pounds me until I cum and cum. Now that's good stuff, guys.
